Good afternoon,

An account has been created for the request of a transient meter for the cleanup operation at CES Environmental. Mr. Gary Moore of the United States Environmental Protection Agency have been collaborating with regards to this request. The meter and backflow preventer device will be delivered tomorrow October 1, 2014. As instructed, no deposit was billed to the customer newly created account. Should you have any questions or concerns, please contact me via the information listed below.

Respectfully sent,
Rockette Simpson
